“ I gave her the name Momma Rose and she became known as Momma Rose to many. She will live on in my heart forever ❤️. I will always remember her and her contagious smile.

*If not for Momma Rose I would not have the gift of her daughter Theresa who is my bestie. Through Theresa I came to know many in this wonderful family. What a gift, thank you Momma Rose. You will be missed.*

“ Grandma was one of the strongest women I know. May have not spent as much time as I should have but she did a lot for me. I am grateful that God choose her to be my grandmother. Will never forget her beautiful voice. She taught me a lot in my life things I am sure she didn't even know that she did. She will be missed by many but her memory will always remain. I love you grandma. Please look after sis and Sara for me. I am sure they were waiting for you at the gate.
