JG

“ Hello, I am Joan Gibson-Howell. I worked at Autumn/Greystone Nursing for 6 years as an aide in activities. I felt close to Rosie as I polished her nails. helped her eat and drink, helped her get around in the facility and go on rides in the bus. She was always appreciative of everything I did for her really enjoyed one-on-one attention and conversation. I will miss Rosie and will always remember the good times with her.
