“ Angie, I am terribly sorry to here of your loss. My heart and tears go out to you girl. If there is anything I can do let me know. Nothing anyone can say or do will take your pain away, I just pray that you can turn to god in your time of need and lay it at his feet . Try to take comfort in what you have left which is Mason and memories of your little angel. He will always be with you and you with him. Take time to heal. It doesn't seem fair but Ross is in the best of hands and one day you will see him again. He looks just like his mommy, he's a beautiful child, now a child with God. I will pray for you and your family. You will come to find that those silly little things he did to aggravate you will now make you warm inside and one day smile. Hold tight to your memories and Mason's smile will get you through. You are a good mom Angie so don't blame yourself mothers naturally will there's nothing we can do when God has another plan for his chosen ones. May God be with you dear. I feel for you sweetie.
