“ When we were in school he was 2 years ahead of me but I remember him well. But the best memory was in 2015 when I was diagnosed with uterine cancer and landed in Genesis hospital extremely sick. I was so shocked when Rudy and Deb showed up in my hospital room! I had heard that he was sick with cancer, and here he was coming to encourage me to fight! The friendship was quickly renewed and we visited on social media. Jim got to know Rudy a little better when they golfed together. We also got the opportunity to go and visit him at his house not too long ago. What a great guy! Love you, Deb!
