“ *My sincere condolences to all Russ' extended family. Cindy and I did not get to spend near as much time as we would have liked, or had the opportunity to. The precious times we did get to be with him meant a lot. It was obvious that he was very proud of ALL of his family. Very fond memories. Russ will be missed. God bless all and take solace that he is in a better place.* ”

“ *So very sorry for your loss. I did not know him very well but the high value of family is evident in his children and grandchildren. Although he will be missed immensely, he will live on in your thoughts, actions, and words. Remember how lucky you were to have such a good father and grandfather. My thoughts and prayers are with you.*
