“ We enjoyed visiting with Ruth and her family when she lived on N. 7th St. She made a remarkable effort to maintain a healthy life style by swimming and walking.
As difficult as this time is, may you find comfort in knowing that Ruth will always be with you, and the memories you shared will forever be a part of your life##imported-begin##Bob and Jan Warner##imported-end##

“ Dear Jeri,
Your parents were always an inspiration to me. I remember spending time on their porch swing in the summer, listening to stories of Cambridge, Little League Baseball and getting advice on how to live successfully. Your mom was definitely a success. She showed unwavering devotion to Bob when he was so sick and frail. She was committed to her own health and well-being. I remember meeting her walking around Cambridge and seeing her finish up her morning swims at the Y. She was keenly aware of the needs of others and offered words of encouragement and compassion. She had a life well-lived.
Sincerely,
Barb Mingione##imported-begin##Barbara Long Mingione##imported-end##

“ Dear Jeri & Bob & Jenni_
My heart is with you even if I can't be. Aunt Ruth was always kind and gentle and fun to be with. I will never forget the days at your house in Cambridge when she and your dad and you played the piano and sang with us, when I was very young. Ruth taught me various things in the kitchen also and was always very patient and fun about it. Then through the years she was always a friend to me. We are blessed with a very large family and she was always a very important part of the family to me. She was well-loved, and I'm grateful she had a long full life.
Love to you,
Melinda & Ted and the guys##imported-begin##Melinda Wagstaff##imported-end##
