“ *To Ruthann's family: She was a wonderful lady and very good friend to our mother, Micky Alexander. I was fortunate enough to enjoy many Saturday night dinners with her and Mom at the Long Branch. She had a great sense of humor and was fun to be with. I know she will be missed.*

“ *Ruthann was a wonderful friend and helper to our mother Mickey Alexander. They shared a love of cards, and went to dinner most every Saturday night after church. She was a very caring person, and will be missed by her family. Sorry I was unable to attend her service.*

“ *Ruth Ann Bakos was a godsend for Dan Bakos. They were good friends, enjoyed & were proud of one another. A wonderful cook & hostess whenever my family visited & I was impressed with her wonderful apple pie made from Yellow Delicious Apples as well as her slaw. Ruth Ann was meticulous in everything she did & treasured the precious antiques from the past whether or not they were valuable. How wonderful that she will now be reunited with her beloved Daniel. Thank you Ruth Ann for all you were to our family. Angel Bakos, Rochester Hills, Michigan (former sister-in-law)*

“ For all of Ruthann's nieces and nephews, I would like to send my condolences to all of you, I want you to know that your Aunt was a lady that I fully admired for many years while working for her at Columbia Gas of Ohio, she is the lady that hired me and started my career with Columbia of which I retired from in the year of 2000. I will share a story with you, at one time in the mid 70's I worked for her collecting gas bills on wheeling ave and it was a big open area as you walk in the office I was out front behind the desk, where (nobody) else was authorized to be behind the counter but us employees, well anyway on my lunch hour I had purchased a wig and wore it back into the office and had my back turned, and Ruthann had been to the bank & walked back into the office and took one look at my back side & she knew it wasn't me because I had short hair and there set a lady with long hair (completely different color) where the money was kept for the collection of the bills, well I want you to know she came charging in yelling I don't know who you are or what you are doing behind that counter but you best get you a@@@ out of there now, so of course I turned around and she gasped and said only you LOL, we shared a lot during our working days together and I am so very sorry I will not be able to attend her funeral, but my thoughts and prayers are with all of you.
