“ *Vanessa,
I am so sorry for your loss. I can not imagine your sorrow...I always felt we had a special bond...I am so sorry....I can not express my sympathy in words....*

the most vivid memory I have of you, is the St. Thomas trip to D.C...the thing that sticks in my head is when we were going from one exhibit to the next and I had my hair pulled up and you said, "hey, your hair is darker underneath" and I said "it's suppose to be"...you looked at me like I was a nut!....

*You and your family are in my prayers.

“ Adam & Vanessa,

I know words can't not express my sympathy. I know the best thing is time to heal from my personal experience. Just remember to express your feelings to someone. I know it is hard and I am here for whatever you might need. I can't say it will be easy but you will get through this and one day we will be with our sons again.
