“ So sorry to hear of Sandy passing. She was a very loving, caring & wonderful friend. She was always there for my mom when they were neighbors. She will definitely be missed.

“ My thoughts and prayers are with Sandy's family and friends. I worked with Sandy at Guernsey Memorial Hospital. She was a pleasant person to work with - easy to talk to, easy to get along with.
Rest in Peace.

“ I had the privilege of working with Sandy at Southeast med. I worked in a different department than she did, but I would talk to her in passing and ask her how she was doing. She was a really nice and pleasant person to be around. Sincerest sympathies.

“ Like Sandy, I retired from Southeastern Ohio Regional Medical Center after 32 years. She was always friendly and had a smile for all. The patients loved her because she would talk with them while she was in their room. She will be in heaven, praying for all of us! May her family be comforted that she loved them so much!
