*It's not that she gave up, her dr said her kidneys were completely
destroyed, she had dialysis 3 times a week, had an incurable infection,
pneumonia 3 times, less than 20% output of her heart, had broken her
neck from a fall, which she fought through and it healed. She lost her
husband in January. She just got tired and had been a FIGHTER for
months and decided she was ready to go be with Jesus. She was a
VERY STRONG lady.*

Zoe, she fought for a year. She had been through so much more than anyone knows. Her body failed her and she knew it was time to go home to Jesus.
