“ *Sandy and I were best friends starting in grade school in Vernon. We remained friends for several years before we lost touch. Our kids played together. I was so sorry to learn of her passing. My thoughts and prayers are with her family. Cathy (Anderson) Pratt*

“ *The absence of you hurts and things are very hard without you, but if it wasn't for you I wouldn't have the strength to get through these tough times. You've made me the person I am today. I'll think of our moments as a time so beautiful, still bright still colorful, a time in my life I enjoyed and will cherish forever. Wherever life takes me you'll be there, in my heart and thoughts. I'm very grateful to have such a loving grandmother like you. Rest in peace. Forever loved and missed.*

“ *My memories go back to high school of Sandy and our families. Most precious are the times we shared as christians. Time of worship, praise and precious time at our first care group and the times of sweet prayer there. My life has been enriched because Sandy touched my heart with her sweet spirit. Karlene*

“ *When I was five years old I "fired" you from being my babysitter. You told me I couldn't fire you because you were my grandmother. At the time, I didn't realize how precious the relationship between a child and her grandmother really is. You meant the world to me. You were always there to love and support all of us, and I thank you for that. This is a very painful time, but I will push through it with a strength that I saw you demonstrate each and every day. You were a remarkable woman and I was honored, so truly lucky, to have a person as wonderful as you in my life for 21 years. I owe so much of who I am today to you, as you spent so much of your time helping to guide me and show me the right path to take. I will take you with me through everything that I face in life. I will experience nothing without you right there in my most treasured of memories. I love you so much Grandma Sandy. I always will. Rest In Peace.*
