“ I considered Louie one of my best friends at CSP during the 1950s and 60s. Not surprising because almost everyone considered Louie one of their best friends. He always had a ready smile and was easy to get along with--he was also the most gifted of the Press Set-up men.

I left the Cambridge Plant for Toledo in 1972 so didn't see much of him over the intervening years, but renewed acquaintances with him at the CSP Christmas Party December 2015. He hadn't changed much over the years--still tall erect and ever-smiling. I'll miss him.

May the Lord be with you and your family during this difficult time.

Best wishes,

Larry Garzony

“ Louie,
I'm so sorry to hear of Louie's passing...He was the light of my world when I worked at Champion. Every day when he would go on his break, he would peak into the window of my office and give me a wave. He made my day everyday!!! With that great big smile on his face...Just a wonderful man...All my thoughts and prayers for the family...Cyndi Law
