“ In my businessnursing, one is not supposed to become attached to patients and their families, but Sharon and her gang became very special to me. I only wish that when my time comes, I have a tenth of the love and support that gathered around this young lady in her time of need. I salute your strength and love-it humbled me. I'll miss Sharon, as will many others-but what a special gift it was to have known her. God Bless you all.

“ My deepest sympathies are with Randy, Taylor and the rest of Sharon's family. I was so saddened when I heard that Sharon was sick and am just heart-sick to hear she has passed. I have such fond memories of our long talks, when she would ride the bus home to Randy's house. She will be dearly missed! ##imported-begin##Wendy Miller Marino##imported-end##
