“ I don't even know where to being. Your mom was one of my best friends and the day she told me her son was coming to town. Then you met my brother Michael and you became the best of friends. I remember when they would fish and ride bikes around buffalo. Then the weekend lil Michael died and you were in Tennessee and you brought lil Michael a gold fish hook just to find he had passed away and he walked up to the casket and ask if he could place it on his hat. It was the sweetest thing. And i remember how sick you were when you lost cat. Im so sorry to hear the news of you passing but at the same time I'm so glad your soul is at peace and Cat and Lisa and lil Michael were there to get greet you at the gates because I know your in heaven. Love you Tennessee. You will be missed!!! RIP . Fly high my friend until we meet agian. ❤️
