“ *Hello, I did not personally know Shirlee, but I do know that she was the spouse of a Ohio State Highway Patrol officer and that makes her extra special. It takes a special kind of spouse to live in that role. The support, love, and commitment shown is a wonderful tribute to the type of person I am sure that Shirlee was. My prayers go out to the Bistor family as they celebrate the life that Shirlee lived and the loss of her daily encouragement and zest. Prayerfully Submitted, OSP Aux. “ Bob and Family,
Our deepest sympathy to you and your family on the loss of Shirlee.
We were old Kamm
Tour travelers and Shirlee escorted may trips we took. She was the
best and enjoyed all
her stories she shared with all of us. We would go boating on Salt
Fork and stopped by
the Mouse House several times to chat with her when the Open
Sign was up in the past
years. Please know you are in our prayers at this difficult time.

“ *Shirlee, we will miss you so much. Every year when we would finally make it down to Leesburg you and Bob would welcome us with open arms. Bob would have raked our spot and you with your smiling face would make us feel so special. Our happy hour times always perked up when you came back from your bridge game. You were such a special gal, and will truly be missed by all who knew you. Love, Jane and Dave White*
