“ *Deepest sympathies to the Family of Shirley. As a boyhood friend of Tim, Shirley welcomed me into her home with a warm genuine smile and a hearty laugh, I will always clearly remember that wonderful laugh.... as well as her signature dish, Deer Stroganoff. She will also be remembered in the fine work that she put into the Muzzleloading rifles that she worked on along with her husband Harold. If you have ever seen, or have the honor of holding, a treasured Ashe rifle, I guarantee that Shirley's hands were lovingly in each step in creation of it. Shirley will be greatly missed.*

“ *Prayers for God's comfort and healing to Shirley's family and all those blessed to be able to call her Friend at this difficult time. She has left behind so many Memories of smiles and laughter. Even in hard times she found humor and light. She taught us all to never give up, to work hard and enjoy life. She had the most beautiful flower gardens and such creative artistic skills. She loved and cared so much for everyone. All the darkness in the world cannot extinguish the light of a single candle. That light is reflected in the hearts of all who were honored to know her. Sending light and love until we can meet again~♡♡J.*
