“ So sorry to hear of Shirley’s passing. She was a good friend when we lived in OH. She and I were in Bible Study and handbells together at 9th St. UMC. She faithfully attended and contributed to both groups. The Bible Study group would often go out and do things together like eating out, going to a movie, or visiting at each other’s house. I will always remember her generous spirit and and fun times we had.

“ Mrs. Gregory was my teacher at Quaker City Elementary, and she left a lasting impression on me. She talked often about going to college and her experiences in education. That was so important for kids like us who didn't have much knowledge of what our futures could be. I couldn't wait to be just like her. I recently ended a 42-year teaching career, and I thank her for being such an inspiration. She made the world a better place.

“ Mrs Gregory was my 6th grade teacher, about 1972. She always supported girls sports. She made a great impression on me and I received my Masters in Education in Hawaii in 2005 after serving in the Army 21+ years. I will never forget her. One of my favorite teachers.
