“ Sister Sharon was definitely one of a kind and will be missed She and the sisters had been our neighbors for many years and after their recent move to St Benedict's ,our family had missed her presence next door Even though she moved a block away , no seeing her go by the house with her tennis shoes on or driving by left a void If you ever wanted to know about happenings in Cambridge ,she was the one to talk too She loved her sports, especially the Green Bay packers and always had a good story to tell The “Nun on the Run” was definetly one of a kind and her memory will live in our family forever

“ Auntie Sister Sharon was just the best! At a very young age she introduced me to the love of Jesus, for that I am eternally grateful 🙏. So many wonderful memories over the years. I'm fortunate to have visited her recently, share lunch and pick up some gifts she had collected for our extended family members. Everyone remembers those fun gifts from Aunt Sharon over the years and her beautiful laughter!!! Her Dad, my Grandfather Paul, used to tell me to not say goodbye, but say see you later. So, See you later Aunt Sharon! Your legacy lives on through the many lives you have touched with love and service for His Glory!

“ Sister Sharon was known as the "Nun on the Run". She will be missed by her Franciscan Family and all those whom she ministered to in Cambridge area. The nursing homes, the people of Cambridge and anyone else she met on the way. If something was happening in Cambridge, a school event, a parade etc. she was there. She loved to sing, watch Sports and take walks. Sister Sharon will be missed but know that she is enjoying Heavenly Peace and walking with the Lord. Sister June

“ Sr. Sharon was a blessing for our parish and community. She was loved by all of the residents at the nursing homes, the home bound, hospital patients, and parishioners. She had a wonderful personality, and I was blessed to be able to minister with her at the hospital, and always enjoyed working with her while I was on the parish staff. She will definitely be missed, but there is definitely no doubt that she’s in heaven going from room to room and talking with everyone :) I send my condolences to her family, and am holding them all in prayer along with the Sisters in Zanesville & Wisconsin.

Rest easy Sister & fly to Jesus!!
