“ *My deepest condolences to Steve's family for your loss. I worked with Steve for several years while he was a county commissioner and I had, and have, the deepest respect for him. He was truly someone that gave everything that was in him for what he believed in whether it was Guernsey County or the tasks that life handed him. I know that he fought "the good fight" and was always optimistic about the outcome. Above all, he had vision and intellect to match. I am sure that we are all blessed in some way by simply knowing him.*
