“ Dear William and Lynn I want you to know that my thoughts and prayers are with you. I have to say, Sue and I only new each other for a few short years, but we had something very special. I have not taken off the necklace she gave me since the day I put it on. It is a great reminder of her. I am also very lucky to have met you and Lynn through all of this. I hope that we will always be friends and keep in touch. Love Marci##imported-begin##Marci Magolon##imported-end##

“ I am very sorry to hear that Sue has lost her battle with Diabetes. She has moved on to a better place where she will keep them laughing. We laughed so hard when she used the whole page of my Cantab to sign her name after we graduated. She will be missed.##imported-begin##Dennis Jones##imported-end##
