I am so sorry for your loss. I worked with Sue on the Comm Line at March Electric. Nelson, I have never met you but watched you grow up through your Mom talking about you all of the time. You were her pride and joy and now from FB I was seeing how much she enjoyed your baby. You and your family will be in my prayers.

“ I never remember a time as a child when I didn't see Aunt Sue smile. She always made me feel happy and at peace. I haven't seen her in many years but communicating through social media allowed me to still get a glimpse of that smile. I am blessed to have had her in my life and she will be missed.
