“ It's hard to put into a few words who Suzie was to all of her friends. She was our organizer, she was the team captain for our NCR bowling league, if one of us was having a bad night on the lanes and we weren't getting our average, Suzie gave us a "pep" talk. She organized the NCR Girls Softball Team. She asked me to play, I was so excited because it was fun to hang with Suzie. I have to apologize to her and the rest of the team, I was horrible at softball, but no one, not even Suzie told me how rotten I was. She loved playing Euchre at lunch, we had @ 30 minutes to eat, still don't know how we managed to play cards and eat, all within that short of time. I can still hear her slapping a card down on the table and hearing her bracelet and one of her many rings hitting the table with force. She loved sports, cards, meeting new people, her friends, but most of all she loved life and she shared it with everyone she met. She gave it her all, especially dancing at the Casa Loma, will miss you Suzie, very much! Loved you for how you made all of us feel like we belonged, I am sure that God has some people with Him who have 2 left feet and need some dance lessons. You made living worth getting out of bed, rain or shine. Prayers for you my dear friend..
