“ I did not know Susan personally, but I knew her from Kmart. She was a very nice lady who was eager to help. I remember the time I tried on a coat in Kmart, but she was not in coat department, but was found talking with another lady at the jewelry counter--she loved the coat and how it fit me. I don't know if you remember me, Melinda--I was Mary Jackson and am now Mary Jackson-Srode (yes, I am now married to Walter Srode). Mary Kay, I was Mary Burris a cousin of Lee Burris. We spent a lot of time together listening to him sing. I want to express my sympathies and condolences to the whole family. God Bless all of you.

“ *How do I begin to tell the many stories of my blessed time with my sister. She LOVED to play SkipBoo. SHE LOVED to travel. She LOVED to take rides out in the country especially on gravel roads. She LOVED taking rides with her dog Josie who passed several years ago. She Loved our family get togethers in November at one of the state parks. But most of all, she LOVED her children Michael; who passed away at 9 months old, Bethanne, Matt, and David. And grandchildren were the LOVE and precious moments in her life. I was blessed to spend most of these LOVED times with her as her baby sister as she always liked to remind me. Susan was my traveling partner whether going to the beach, traveling US 40 east and west or going to visit our cousin Cindy in Florida. And then the many nights we would spend at her kitchen table playing SkipBoo, well into the early morning, and talking about the many memories of our good times and hard times. Susan would never complain and was fiercely independent never wanting help. I have so many memories that I will cherish and look back on. I know her passing was for the best as she is now free of pain and worries. But right now the hurt is deep as it is for all who loved her. All the shared memories, prayers and sympathy wishes are very comforting and so appreciated. You never realize the impact someone has on your life until they are gone. I will always miss her but I will let her go. Susan knew she was LOVED.*

“ There was always so much joy and laughter on Gomber Avenue. But I remember your laugh the most, Aunt Susie. It was infectious, tears rolling down your cheeks. That's my lasting memory, and the way you always made me feel seen. Sending love and prayers.

“ Susan was a very nice person. I hung out with her nephew Tom a lot at the Point back in the 80s and she was always very warm and genuinely kind. I only have great memories not a single bad one. I will be sending prayers for peace and comfort for Dave and the rest of her children and loved ones through this difficult time and I want to let you all know that you all have my most sincere and deepest condolences.
