“ *Happy 28th Birthday in Heaven. I wonder what you are doing on your special day. The day you were born was such a gift. Each year goes by and we miss you even more, but we know you are free and whole in heaven. As we get older we miss not having a grandchild close to us. I guess it was part of God's plan, but we feel we have missed out on so much. One of these days we will be reunited with you and Tracy. Enjoy your day and think of us if you can. You are always in our hearts and always in our minds. We Love You today and everyday, Tanor Man!!*

I will be so glad to see you and Tracy and all the others who have gone before us. We were blessed to have you here for 20 years, but I want it to be forever. Miss and Love You, Tanor Man!!

“ *Cecily and family*

*Bob and I are so sorry to hear about the loss of Tanor. I remember the first time we met Tanor - he was 4 years old.*

*My favorite memory of Tanor was the day you brought him to work at the Salvation Army because your sitter didn't show up. You had an accident with the files and papers flew everywhere - Tanor was laughing so hard he couldn't stop.*

*We will be praying for you during the coming days. The loss of a child is the most difficult thing for a parent to go through. I pray that you will find comfort in the knowledge that in heaven there is no more pain, sorrow or handicaps. May God bless you!*
