“ *My condolences to the Ford Family. I remember the stories of her dad. He was not too cool from what I recall. Terri was always fun loving and a great singer. She and her sister were awesome at Kereoke. Her husband Eddie is a good man and hopefully you will rally around him in his time of need. R.I.P. Terri.*

“ *I have many wonderful childhood memories of growing up together
on Klass Road that I can recall vividly. I'm grateful I had the chance
to visit Terri recently after many years of not seeing her. I could not
believe that despite all she was battling...that her sarcastic and fun
loving wit, and high spirited and fun loving personality had not
changed one bit...exactly as she was when she told my brother to
"blow it out your ear" when he offered her gum at the bus stop on
their first day of kindergarten. You're an inspiration to all of
us....much love, cuz. Dennis Carpenter*

“ *Terri is my cousin, actually more like a sister! We have had more memories made together than I can mention. I cannot express how much I am going to miss her! When we were growing up if she wasn't at my house my older sister Sherrie was at hers! One time Sherrie, Terri, Tracy and I went to Kings Island with my parents, of course all we had to ride in was a car! So the 4 of us squeezed into the back seat. If my memory serves me right we made Terri stretch across the floor of the car! All the way there my dad tortured us by playing a Billy Ocean tape over and over! We had a blast that day! I am so honored that I got to be a part of her life, I am truly blessed! I love you Terri Lynn and I will never forget anything about you. Your favorite cousin! :) Heather Dawn*

“ *Terri and I met in the 8th grade and she was a good friend then we went to Vocay and would sit together and talk on the bus ride to and from school (Most everyday we complained about the long bus ride to Zanesville). When ever my parents would let me drive to school I always gave Terri a ride to and from school and we usually made it before the bus did. I seen her a few times over the years and we always laughed about those long bus rides. my heart goes out to the Ford family I always considered her a good friend.*

“ Terri & I grew up together from elementary school to high school and then our girls went to school together. Terri was a great friend & always had that pretty smile on her face whenever we ran into each other. Of course we had to stand around & bs for awhile (we were good at that). She was so funny & she could always make a person laugh. Terri will be missed by many. My thoughts & prayers go out to her family.
