“ Family and friends of Fern, you have my deepest sympathy. I have some great memories of her when her children were in school with me. When I saw her at work at the hospital, she always had me laughing and smiling. I'm sorry for your loss.

“ Aunt Fetn was a fun person. I can remember her driving a small pickup truck, unusual for a woman at that time. A real trail blazer. She was the first, and only, person to take me to a church where they spoke in tongues. Left quite an impression. Lots of fond memories of her.
