“ I am grieving with the Cook family for the loss of Tom. I grew up on the same street as the Cook's and remember Tom from those early years. I also enjoyed his posts on Facebook. My deepest condolences to all the Cook's, especially his sister and brother, Donna and Michael. May you rest in peace, Tom.

“ We were friends not nearly long enough. So strange that even though we were in high school together it wasn't until a few short years ago that we actually got to know each other at the luncheons. You told me to friend you on Facebook and I tried to warn you about my political views. Not knowing what they were you said friend me anyway. I'm so glad I did because we had the same thoughts on so many thing's. Enjoyed you sharing the Little Rascals videos I then share with my grandsons who loved them. Darn Covid got in the way and we never got to have that last luncheon together that you had hoped for. You were my pal and I am so glad we were finally brought together.. You will be missed.
