“ *The Hugebeck Family, our prayers go out to the entire family at this sad time. Tom was a friend to many, his works are in many households. He was a common thread for many families, the memories of dances over the past years, the time in the arena is too many to list. His unselfish time helping others, and a teacher to all. Our family will always hold him in our hearts, the great memories, love Burns Family, Roanoke, Virginia*

“ *Dear Hugebeck Family,*

We are so sorry to hear of the loss of your Husband and Father. You are in our thoughts and prayers. Having gone through the same thing going on four years ago we share your sorrow and sadness. We have often spoke of him when we go into the family room as we are reminded of his interest in American Indian crafts.
