Hi Coleston. My name is Bryan Fishkind. Your grandfather and I moved out to Arizona in 1974. I met him through a girl he knew in Cambridge Ohio. I stayed, but Tom went back home several days later. I bought his 1962 Econoline pickup truck for the journey. Though it is long gone, I still have the hubcaps. Tom was an incredibly nice guy.

“ *So many wonderful memories shared with you all over the years...will never forget uncle Tom's "infectious" laugh especially the times when him and dad were trying to "reason" their way out of trouble for not coming home when they were supposed to or the NUMEROUS times he told the story of their fishing trip to Canada. Cherish your memories of a wonderful man...I know we will! Lots of love. Jill*
