“ *Still in our thoughts*

“ *I remember the many years of passing you while walking your dog. I would see you with your pipe and it reminded me of my grandfather. I remember the time I seen you with your new pup and I mourned the loss of your beautiful German Shepard as I drove by and waved as I always did. I remember how beautiful your yard was always kept. I admired the flowers and the pride you took in it. I would see you sit in your driveway in your lawn chair with your freshly washed jeep. I began to notice that when passing through for appointments now I wouldn't see you. I am very saddened to hear of your passing as you were always such a lovely man who I only would exchanged waves and smiles with. You had no idea but you made my heart smile. Rest in peace and I hope you are walking your dog in heaven. <3*

“ I'm saddened by this news because it reminds me of many years ago and how I first became acquainted with Tom. You see, he was at one time married to my Cousin, Barbara Frakes (Class of '58 CHS), and I was a part of their wedding party. Later on, while Tom and Barb were stationed in Delaware during his military service, I was then stationed in Maryland and took a bus ride up to visit them.

Later on, I came to know Tom a little better when they added a new addition to their family, Wendy, whom our family came to know affectionately as "Bunny". Quite unfortunately, just a few short years ago, my Cousin Barb, passed away at what I always considered was quite premature.

I send my condolences to any and all of Tom's family, most particularly to Wendy, David, and their family during this time of sadness; My prayers are for their comfort during this difficult time of mourning.

Blessings to all!
