“ *and here I am- over 50 years later, thinking of the times in Cambridge- helping Tom deliver papers, much water under the bridge- then there was the time he wanted to run away from home-- he wanted someone to go with him, and off we went- boy scout camp- along about midnight search lights shining thru the woods-- Looking for Tom-LOL, as I remember no one looked for me--we had clothes,food,shotgun for food ?*
