“ Thank you for being one of the greatest people I have met. All the times we talked late night or you sitting with me at lunch so I was never alone. Or like how I convinced you I really wanted this overpriced outfit at the fair and you bought it without hesitation. The times me and you and draco all just did random stuff like the movies will be missed. I'm glad that for the past year I got to wake up to pictures of your cat or talk about work and our lives. My mom even said you were one of the sweetest people when she got to talk to you. May you rest in peace Timothy.
