“ Our thoughts are with your family at this time. Lucille and my mother Bessie Kennedy Barthalow were friends for many years. They graduated from Brown High together, and were the same age. I also have fond memories of Lucille teaching Sunday school class in the Kimbolton Methodist Church.  
Peace to all of your family.

“ To Gail, I am so sorry to have read about your mothers passing in the Jeff newspaper on the computer. I do remember you. I was from Barnesville Ohio and many years ago your mother and my mother were in the Hospital room together. I lost my mother in 1963 so you were so lucky to have your mother for a much longer time. We use to visit with you when you lived in Kimbolton many years ago. Maybe you will remember me. I think you & I are about the same age. Maybe I could hear from you sometime on line. I married a guy from Cambridge in 1955. and are still together. Do you know the Kafury's in Kimbolton who use to live in Cambridge ? Again please have my Condolences.
