“ *My grandmother was the strongest women I ever met. Although my visits were few over the years, they were always filled to the fullest with love, food and family. She truly was the core of the Hopkins family and I will miss her greatly. Grandma, to you I would tell you to say hi to Dad for me and I love you so very much! To my family - I am there in spirit and I love you all. I am glad so many of us were able to share time with Gram last weekend.*

Love,

Angie”
