“ Kellie, Jodie and all of Vicki's family....

I was so sad to hear of your Mom's stroke a few weeks ago. Lynn was so nice to keep me updated these last few weeks. Vicki and I last talked to each other just a week before she went to the hospital.....

She was a very special person...kind and very caring are the first adjectives that come to my mind. Our many phone conversations kept me updated on both of you and your families....she was so proud of all of you.

I am sorry I was not able to travel to attend the service. Very appreciative that you posted the service.

I will her very much.....already feeling sad I will not receive her Christmas Card with all the Dog Stickers.....and hard to believe I will not be talking with her on the phone.

Kellie and Jodie.....you had wonderful parents.

May you feel God's Love and Strength in the days ahead....

“ *Kellie and Jodie, We have so many good memories of your mom & dad during our high school years. All of the games and tournaments. We still have the scrap book your mom made for Brent his senior year. I'm sure most of the guys on the team do. They were definitely two very special people to both of us. We will miss getting that Christmas card with the cute dogs, and all of the stickers on the envelope! I always knew which one was from Vicki, when I got it out of the mailbox. Didn't have to read the return address. Hugs for the entire family. You were blessed to have such a special person in your lives.*
