“ *I have known Eugene since the second grade at Rock Hill School. We were in the same graduating class of 1951 Cambridge High School. He married one of my best friends. He made beautiful cabinets. He was also thoughtful and patient in letting "the girls" visit.*

*He will be missed...*

“ Dear Beverly, I was saddened to hear of the passing of your dear beloved one and pray that the Lord be with you in these difficult times.

*I have very fond memories of the Hinsons--Morgan (Buck) was probably my closest friend in high school, plus I remember you and sister Barbara very well. Class of 1952 had some others too that were close to me: Carolyn McCoy was my neighbor and Howard Cherry and I were very close even though he was 3 years older.*

*Again, may God be with you and yours--reach out to Him, He can bring eternal comfort!*

*Yours in Christ,*

*Pastor Larry Garzony*

*P.S I knew Jim too even though he was several years younger.*

“ It has been 40+years that I met Gene and Bev. When my dad and mom would go square dancing every saturday they would be there and they always was in our square. Had great times with them. Then later I married my husband and come to find out we was related some where down the line. Great person. My Thoughts and Prayers are with Bev and the family at this time. My Deepest Sympathy.
