“ My condolences to her son Jeff. I remember her fixing us peanut butter sandwiches and chicken noodle soup on Saturdays after watching big time wrestling when we were in grade school.

“ I remember coming down the hill to hang out with her son, Jeff Keiser. She was always very kind to rambunctious teenagers and their loud music.

“ Wadena was more than just our neighbor, she was a great friend to all of us especially to Averey. Averey loved to draw her pictures, go and set with her and talk and take her flowers and cookies. Wadena always had time for her and we appreciate that. Averey thought of her as a grandma. I have many fond memories of her I will cherish. She always made me laugh and had the best sense of humor! She made us feel welcomed from the second we moved in. I admired her strong spirit and independent ways. If the world had more people like Wadena in it, it would be a better place. We loved her very much and will miss her greatly. Love, the Roof family
