“ *I had the pleasure of meeting Walter last year. He did some very high quality work for my Mom and Dad, Jack and Effie DeVold. Then later I had him working at my son Westons house. I truly enjoyed getting to know him!! I especially enjoyed him telling me about all his family and places he had lived and served. He was very proud of his family and his work. A real honor for me to have met him!! Rest in peace!!*
