“ *My deepest sympathy to you Jeff, Jason and family in the loss of your Mom, Wanda. She was my favorite customer at the Newcomerstown office of Chase. (I was the manager there for many years). I so looked forward to her coming in. She was so funny and we always had a good laugh! She shared her times out in California and her many experiences and her trip to Australia. I remember meeting you Jason in the branch and she was so proud of her boys. Express my sympathy also to her twin (she always wanted to go live with her). Sorry I did not know Jody had passed I also had met her. I will keep you all in my prayers and hope you will find peace in the New Year in knowing your Mom had a full life and was a wonderful, fun person who I will miss very much.  
Sincerely, Ellen Whyde, Beach City, Ohio*

“ One of my favorite memories of my grandma is when I was in kindergarten and she used to watch me after I got out of school until my parents got off work. We always had to pick my sister up from school later and I always insisted on bringing our big golden retriever with us even though the school was right around the corner and the dog would've rather stayed home but Meme always let me. We will miss her!
