“ *Mom*

I miss you so very much. I am so glad we got to spend the best 18 days of your life together. Those will be such good memories that I will treasure. But there are so many more. You fought as long as you could and I know you had a lot of bad days, but you still went on each and everyday the best you could. Joy also got to spend good days and bad ones also. You were loved by so many people. I will miss you so much but know you are with Daddy, Robbie and all your other family. Ryan Kendall Lauer was so proud to give you that doll only wish you could of enjoyed longer. He loved you so. I also know you will get to see Zyler graduate but only from heaven. Last but not least to my Brothers and Sister Joy God bless you all. I know each and every one of us will grieve in our way but remember Mom loved us all very very much. Let us all find peace in that. I want to Thank Janice Hupp for being Mom best friend and helping us out when Mom needed to go to Dr. Appts. Also Bev Thank You . And to My Cousin Carol Mom loved you like a Daughter.

Our deepest sympathy to each of you and your family. Keep all of the special memories close in your hearts -may they bring you peace.

An Irish Prayer ...

May God give you...For every storm a rainbow, for every tear a smile, for every care a promise and a blessing in each trial. For every problem life sends, a faithful friend to share, for every sigh a sweet song and an answer for each prayer.

Please know that you are in our thoughts and prayers.

“ It was a pleasure to have know Wava, as far back as NCR and now at dialysis. I wanted you to know what a great patient she was. No complaining, a proud woman that wanted to do for herself as long as she could. She didn't want to go out in a wheelchair when she was very tired. She had a lot of strength. I'm sure she is happy to be with her husband now. She surely missed him. My thoughts and prayers are with you at this difficult time. Take comfort that she is happy now and in a wonderful place. God Bless! Mary Ann Church

“ Grandma, You will always be in my heart. I love you! Heaven will be so great -you will be with the people you love and Jesus. Tell papa willy I love him, and can you tell my papa Larry I love and miss him too? I will remember everything me, you and papa used to do, but one day I will see you again. I remember me and you having snacks, watching tv, and playing with dolls. Make sure papa tells you lots of funny jokes in heaven. I will talk to you when I pray at night. i will miss seeing your lovely self and everything we used to do. I will miss going to your house. Tell Jesus hello and make sure you meet my papa Larry, he's nice. I love you.

MiKaela, that was a beautiful message. Daddy is so proud of how mature you are. I hope and pray that everyone in our family handles grandmas passing with has much dignity and grace as you. Many times in these situations people tend to let greed take over all the blessings we should be thankful for. I know grandma loved you and was very proud of the little lady you have become. Love Daddy
