“ Grandma,

I close my eyes and I remember you watching Gary and I run  
around the house playing and laughing with a smile on your face.  
You are an inspiration to all and your kindness and love was  
impeccable. I miss you dearly and I wish I could have said goodbye.  
You are at peace now-without pain and suffering. You blessed this  
world with your love, laughter, kindness, beautiful children and  
grandchildren, and most of all your smile.

I love you and miss you.
