“ Willard would come into our office to pay his bill and talk about how lucky he was to have his family living with him. He was a wonderful man and I always enjoyed him.

“ *Uncle Willard will be dearly missed. He was my last living aunt or uncle. I think he lived a wonderful life and did very well keeping his faculties until the last few months. I really felt for him during the past months as you could tell he was feeling a lot of pain. God rest his soul and I'm sure his pains are now relieved.*
