“ Twilla and Family, we are so sorry to hear of your loss. Bill and I were very good friends in High School. We both played Trombone in the band, worked together at JC Penney, and went to the same church. I really haven't seen Bill very much since then except we saw you and Bill at a class reunion several years ago. It was at that campground just outside of town. We had a great time talking about the old times. I will miss him.
