“ I knew Bill through Mary Ann. He always had a smile and never failed to speak. He had a lot of love in his heart and it came out in his smile, eyes and actions. He will long be remembered by friends far and wide. May God give you all strength as you adjust to the loss. I am sure you have so many good memories and you will often share them, laugh and smile. He will want you to laugh and enjoy life every day. God Bless.

“ I remember Bill as a friend. He was such a,kind and loving person. My kids are distant relatives of his. I was friends with his sister Connie for a long time. I also knew his mother and his step father. I know his wife and his daughter terra. He will definitely be missed by many people. Mary Ann, you and your kids have my deepest sympathy. Hold on to your faith and if you need anything, please let me know. This was certainly a shock, but I know that Bill has been sick for sometime. You and your kids are definitely in my prayers. May God give you the strength to endure.

“ Prayers for Mary Ann and her whole family at this difficult time. So sorry for your loss. I have known Bill since the first grade and remember him as being very respectful and caring. Bill was fortunate enough to love and marry one of the sweetest people I have ever met-Mary Ann. Together they created a beautiful family. May his family find peace in God's love at this difficult time. He will be missed by so many.
