“ i met bill when i was working at golden rule school as the financial officer. he was always kind and pleasant. most recently i have had contact with him through my work as a therapist. i recently saw him at a coast meeting. he was always an advocate for those he served and his dedication and influence will never be forgotten by the mr/dd community and other professionals he worked with. although i don't know you personally, bill's family must be very special. never forget that he touched so many people who would otherwise have gone unnoticed. god bless you all and may he hold you gently in his hands as you experience these difficult times.

sincerely,

“ Just a brief note to express my personal sorrow for your loss, as well as that of the members of Noble County Youth Soccer & the Noble County Soccer Club.

Several years ago when we were looking for a place for Noble County youth to play soccer Bill was there to help us get started with EOSAY. Today, our program includes over 200 young people playing soccer. Much of the credit for our success is due Bill. He was patient and insightful in helping our program grow. For his contributions we will be ever grateful.

On a more personal level I will always respect the commitment that Bill had for his clients at Guernsey County MRDD. My sister Patti Perkins, while not one of his clients, attends the GNC Workshop. Bill's influence there was very positive and will be sorely missed.

Our Thoughts and prayers are with you through this most difficult time.

Sincerely,

Ken Perkins, III, Noble County Youth Soccer & The Noble County Soccer Club
