“ To you.. "energizer" Bill, as I always referred to you, I will miss you terribly my dear cousin. My heart will always carry the fun phone chats and the many laughs we shared. We met so briefly 9 years ago, but I feel we knew each other a lifetime. I loved you so very much. We also shared a special friendship besides being cousins. We both acknowledged that. You were a blessing to my life. I will see you again someday. Til then...as my dad called you...Snoop...we love you, Karin, Denice and family##imported-begin##Karin Kiggans##imported-end##
