“ My heart is so heavy hearing of Bill's passing. He had a rough exterior sometimes but deep down this man had a heart of gold. You always had a special place in my heart. I will keep hold of the many conversations and memories we had. Going to the store will have a whole meaning and sadness now. May you rest in heaven and have eternal peace. Say hi to your mom for me ❤️

“ I am deeply saddened to learn of Bill's passing. He was a clerk who cared about each customer and their needs. He was never too busy to help me find items. We will miss him greatly. Rest in peace, Bill.

“ I worked with bill and have known him for many many years! He came off with the I'm a mean guy attitude and a grumpy man but that was not the case bill had a big heart and would do anything for you! No matter where he was if my kids showed up he would make sure they was safe and doing as he knew I would expect them to do. If they wasn't he would make sure to tell them about it . I'm sure going to miss you bill a lot, walking into DG is not the same 90% of everything in there you have touch . So your still every where there ! Miss you. Buddy thanks for being my friend and giving me all the hard times you did RIH bill

“ Bill will be sadly missed by everyone. I enjoyed talking with him about business, his employees among many other subjects. Unfortunately, I won't have the opportunity to work with him as we have discussed. He was unique! Rest in peace, Bill. Thoughts and prayers to his DG family, friends and family.

“ So sorry to hear this. I just talked to him recently at DG. I've known Bill since his Lakeside days and would chat with him at DG. He knew I was caring for my mom while she was getting her strength back and he would always ask how she was doing if he had time to chat. He was stocking as I was walking out the last time I saw him. I stopped to say a quick hello to him anyway. So glad I did. Didn't expect it to be the last time I saw him. Rest in peace Bill. You'll be missed.
