“ Sorry for the loss of your father, brother, uncle, companion and friend. I haven't seen Bill in years but I want you all to know he will always be a hero to me. Back in the late 80's he saved my life. I will always be grateful for that. He was (is) a good man despite some of the not so perfect things he done. He will always be remembered by me. God Bless you Bill and all those who are left behind without you.

Sincerely, Melody Evancho

I'm am sorry for your family's loss. I could not imagine the grief you all may still feel. If my father died I would be lost without him. Turn your faith towards God, and he will pull you through this sorrow time, God has him in a better place now, where he is pain free. He took Bill out of this world to join God in heaven, where he will suffer no more. I Will keep praying for your family's strength to get through this , take care and keep your heads up.
