“ My condolences to Wilma's family. Wilma was a hard worker, kind to all, and a very devoted Buckeye Trail fan. I will always remember and appreciate her allowing me to work in the cafeteria so that I could save my lunch money. I think she especially made sure I was well fed on game days! She will be missed, but not forgotten.

It was with great sadness to learn of the passing of your mother. Wilma was not only a fantastic person but she was a great colleague. I learned many things from her and your father. They helped inspire me during difficult times. I will remember those memories like they just happened yesterday. May she RIP.

*We cherish the times over the years spent with Aunt Wilma and her family. Her smile and laughter set the tone for many family gatherings. It was a special treat to see her at her sister-in-law's 96th birthday party last March in Akron, and to visit her as we traveled through Ohio. She was the matriarch of an exceptional family, and her love was apparent. She leaves a heritage of love and integrity, and a high standard to live up to. Our sincerest condolences to our cousins.
